**AMENDED AND RESTATED BYLAWS
OF THE
ST. JOHN'S COMMUNITY ASSOCIATION, INC.**

PREAMBLE; PURPOSE

St. John's Community Association, Inc., a non-stock, nonprofit, non-sectarian, non-political organization operating under the laws of the State of Maryland, is hereby formed to promote friendly relations among its members, to band together and to provide for the exchange of ideas and discussions of various problems and to seek public improvement and betterment of civic conditions generally.

These Amended and Restated Bylaws of St. John's Community Association, Inc. supersede all previous versions of the "Constitution of St. John's Community Association".

**ARTICLE I
NAME**

The name of the Association is "St. John's Community Association, Inc." and shall be referred to as the "Association" throughout these Bylaws.

**ARTICLE II
BOUNDARIES**

The general boundaries of the area within Ellicott City, Maryland to be served by the Association are set forth on the map attached to these Bylaws and described generally as follows:

- Northern Boundary – south side of Route 40
- Eastern Boundary – west side of Route 29
- Southern Boundary – northern boundary of Village of Dorsey Hall
- Western Boundary – eastern boundary of Gray Rock Farm and following Plum Tree Branch north of Plum Spring Lane/Plum Meadow Drive.

The Association's efforts shall be focused on matters occurring primarily within or affecting households within the above boundaries.

**ARTICLE III
MEMBERSHIP**

- 3.1. **ELIGIBILITY:** Membership in the Association shall be open to all households within the boundaries stated in Article II. A "household" is defined as one address. All persons from households within the boundaries are welcome to attend and participate in meetings.
- 3.2. **MEMBERSHIP; VOTING:** A household that pays dues as set forth in Section 3.3 shall be a "Member". Each Member has one vote on all Association matters. Any person within the Member household who is 18 years of age or older may cast the vote for the Member.

3.3. DUES: The amount of dues per Member shall be determined annually by the Board of Governors and shall be, at minimum, \$20.00 per Member per year. Dues will be collected on an ongoing basis and are applied to a calendar year running from January 1 through December 31. Dues will not be pro-rated based on time of payment. Dues will be collected, deposited and managed by the Treasurer. A Member must be current with dues in order to vote.

3.4. RESIGNATION; TERMINATION:

- a. A Member may resign or terminate its membership at any time by providing written notice to any Officer of the Association.
- b. The Board of Governors, exercising its reasonable judgment, may terminate a Member "for cause" by majority vote at a meeting at which a quorum is present.
- c. There will be no refund of dues upon termination.

3.5. MEETINGS:

- a. General Membership Meeting. There shall be at least one General Membership Meeting per year to, among other things, hold the annual election of the Board of Governors. The Board of Governors shall set the date(s) of the General Membership Meeting(s). A General Membership Meeting may coincide with one or more of the Board of Governors Meetings but there must be at least one General Membership Meeting in addition to the Board of Governors Meetings. Notice of time, date and location of the meeting shall be by any reasonable method(s) deemed appropriate by the Board of Governors to reach the widest possible audience (e.g., mail, newsletter, posted notices, telephone calls, emails, postings on the Association's website, social media and/or any other appropriate means of communication). A single method may not be appropriate to reach all households or Members so a variety of methods may be used. Notice must be given at least seven (7) calendar days in advance of the meeting.
- b. Special Membership Meetings. Special meetings of the membership may be called by the President, three (3) or more members of the Board of Governors (two (2) of which must be Officers), three (3) or more Area Representatives or fifteen percent (15%) of the Members. Notice shall be given in the same manner as a General Membership Meeting and must be given at least forty-eight (48) hours in advance of the meeting. The meeting notice must include the purpose for which the meeting is being called.
- c. Agenda. In consultation with the Board of Governors, the President shall prepare the agenda for General Membership Meetings and Special Membership Meetings.
- d. Quorum. A quorum for any General Membership Meeting or Special Membership Meeting is fifteen percent (15%) of the Members.
- e. Participation; Voting.
 - i. Any General Membership Meeting or Special Membership Meeting is open to any person and all who may wish to be heard regarding any item on the Agenda.
 - ii. A person may speak for up to three (3) minutes on any one topic, with a one (1) minute period for response or rebuttal.
 - iii. When a matter is raised for a vote, only Members (i.e., households current with dues) may vote, with one vote per Member.

- iv. Unless otherwise specified in these Bylaws, decisions of the Membership shall be made by a majority vote of those Members present at a meeting at which a quorum is present.
- f. Absentee Voting.
- i. There may be instances in the reasonable judgment of the Board of Governors where Members may cast a vote by mail or email in lieu of attending a General Membership Meeting or Special Membership Meeting in accordance with procedures set by the Board of Governors. In such an instance, the Board of Governors may send with the notice for the meeting, a notice that absentee voting is allowed, the procedures for absentee voting and a description of the matter eligible for absentee voting, including arguments for and against such matter.
 - ii. Unless other procedures are set forth in the notice, a Member may cast an absentee vote by sending the vote by mail or email registered with the Association to the Recording Secretary so the vote is received no later than 11:59 pm of the night before the meeting. The absentee votes will then be tallied along with the votes of the Members present at the meeting.
 - iii. If a Member who has cast a vote by mail or email attends the meeting, a vote cast at the meeting will supersede the mailed or emailed vote.
 - iv. Absentee votes will not count towards a quorum.
 - v. There may also be instances in the reasonable judgment of the Board of Governors where the Board of Governors may request a vote of the membership by mail or email in lieu of calling a General Membership Meeting or Special Membership Meeting. Such instances are limited to urgent matters needing a vote within forty-eight (48) hours but only if complete information about the matter can be distributed adequately and there is little or no controversy over the matter.

ARTICLE IV
BOARD OF GOVERNORS

4.1. COMPOSITION; ELIGIBILITY: The business and affairs of the Association shall be managed by a Board of Governors which shall consist of the Officers and District Representatives described below, all of whom must be Members and meet the eligibility requirements set forth below. No more than one person from the same Member household may serve on the Board of Governors.

4.2. NOMINATION; ELECTION:

- a. Nominating Committee. No later than two (2) months prior to the General Membership Meeting at which annual elections will be held, the Board of Governors shall establish a Nominating Committee comprised of a minimum of two (2) Members to prepare a slate of Members to fill the Officer and District Representative positions.
- b. Nominations from Floor. Nominations from the Members may also be made from the floor at the General Membership Meeting.
- c. Vice President to be Nominated as President. The Vice President shall automatically be nominated for the position of President when the President has reached the term limit or

chooses not to run for an additional term, unless the Vice President declines to be so nominated.

- d. Election: The Board of Governors shall be elected by a majority vote of the Members at a meeting at which a quorum is present. In the event there is an uncontested slate, the entire slate may be elected by a single vote. In the event there are two or more candidates for any particular position, the individual position shall be subject to a vote, and then, at the discretion of the Nominating Committee, the balance of the uncontested slate may be offered for a vote.

4.3. TERM:

- a. Term Limits and "Sitting Out". Officers and District Representatives shall serve a term of one (1) year or until their successors are elected. No Officer or District Representative may serve more than two (2) consecutive terms in the same position, except the Recording Secretary and Corresponding Secretary may serve three (3) consecutive terms. Once an Officer or District Representative has served the maximum term in any one position, he or she may serve in a different position. Once an Officer or District Representative has served a term in any position, he or she may serve again in that position after "sitting out" of that position for the number of years served in that position.
- b. Special "Sitting Out" Period for President. Anyone who serves as President must "sit out" from serving on the Board of Governors in any Officer or District Representative position for the total number of years that person served as President. During the "sitting out" period, the former President may serve as an Area Representative or Committee member or in capacities other than Officer or District Representative.

4.4. REMOVAL; TERMINATION:

- a. Failure to Pay Dues. An Officer or District Representative's term of service shall automatically terminate upon failure to pay membership dues. Prior to termination, the Treasurer shall make a good faith effort to contact the Officer or District Representative to discuss dues status and consequences of non-payment.
- b. Removal. An Officer or District Representative may be removed from the Board of Governors "for cause" when, in the reasonable judgment of the Board of Governors, the Officer or District Representative has failed to discharge his/her duties or obligations to the Association. Failure to attend two (2) consecutive regular Board of Governors meetings shall be deemed to be reasonable cause for removal. A vote for removal requires an affirmative vote by two-thirds (2/3) vote of the Board of Governors present at a meeting at which a quorum is present.

4.5. RESIGNATION: An Officer or District Representative may resign by providing written notice to the President. In the event the President is resigning, such notice shall be given to the Vice-President and Recording Secretary.

4.6. VACANCIES: In the event a vacancy occurs in either an Officer or District Representative position, the Board of Governors shall appoint, by a majority vote at a meeting at which a quorum is present, a Member to fill the vacancy. The Member must meet the eligibility requirements as set forth in these Bylaws. The appointee shall serve until the next General Membership Meeting at which the Board of Governors is elected. In the event the office of President becomes vacant, the Vice-President shall automatically serve as President, except as otherwise determined by the Board of Governors, with the Board of Governors filling the Vice-President position according to the process above. Any appointed Officer or District Representative shall be subject to

nomination by the Nominating Committee or from the floor. If elected, the appointed Officer or District Representative may then serve one more term in that position.

4.7. MEETINGS:

a. Regular Meetings.

- i. Schedule. The Board of Governors shall hold quarterly meetings on the first Wednesday of each March, June, September and November. One or more of the Regular Board of Governors Meetings may be designated as a General Membership Meeting. If the meeting date falls on a holiday or other circumstances dictate that it would not be reasonable to hold the meeting on such prescribed dates, the President, in consultation with the Officers, may move the meeting date to the first reasonable date thereafter. If the meeting is moved, the Recording Secretary shall provide notice of such meeting in accordance with the procedures for notice.
- ii. Agenda. Unless the President in his or her reasonable discretion sets the Agenda otherwise, the Agenda for Regular Board of Governors Meetings shall be as follows:

Other rules of civil discourse shall also apply, to be enforced by the President in his or her reasonable discretion. At the end of the Open Forum, non-Board of Governors attendees are welcome to remain for the balance of the Agenda but may not participate in the discussion. The Board of Governors also reserves the right to go into "executive session" (i.e., Officers and District Representatives only) as the Officers deem appropriate in their sole discretion.

- iii. Notice. Notice of the time, date and location of the meeting shall be by any reasonable method(s) to reach the Board of Governors and provide a general reminder to the community (e.g., by mail, newsletter, posted notices, telephone calls, emails, postings on the Association's website, social media and/or other appropriate means of communication). A single method may not be appropriate to reach the community so a variety of methods may be used. Notice must be given at least three (3) calendar days in advance of the meeting.

- e. No Proxy Voting. Voting by proxy is not permitted.
- f. Meetings by Teleconference. Any one or more members of the Board of Governors may participate in a meeting of the Board of Governors by means of a conference telephone or similar telecommunications device, which allows all persons participating in the meeting to hear each other.
